BUILDING AMERICA®

Welcome to the 2024 Value Trains USA Catalog!

A Quality Product of Samson RC Hobby Shop

Value Trains USA started as a dream in 2016 to design and build model trains in the USA , and do it right here in Marshall Missouri. Our hobby shop, Samson RC Hobby Shop, set out on a journey that has been nothing short of exciting and rewarding. Our product line has given the model train world a quality, bold, and exciting option for HO scale rolling stock. We are a family owned and operated business that loves the hobby and bringing a new line of 100% made in the USA products!

ACF 50'6" Boxcar Features:

- Detailed body and undercarriage
 - Separately applied brake wheel
 - High quality automotive grade paint
 - High detailed printing and decorating
 - Kadee couplers
 - Kadee metal wheels and trucks
 - NMRA standards for weight and coupler heights
 - Quality bold packaging with high density foam insert
- We hope you enjoy your experience with our top of the line products here at Value Trains USA!

Trains made in the heart of the nation!
